

SIGNAL SEVEN

April 20, 2019

Congratulations College 40, and Welcome

We congratulate the members of College 40 on their graduation last week and wish them every success at time of great change at ACT Fire and Rescue. As we pursue a new enterprise agreement there will be many opportunities for firefighters stemming from the improvements we are seeking.

Members are asked to respect the fact that until the Graduates have completed their probation, the UFU will not be seeking to involve them in industrial action. Any members with questions about this are asked to contact the Secretary directly.

Update on Protected Industrial Action

The UFU will shortly give notice to the employer regarding the escalation of bans and protected industrial action.
