## Relevant legal provisions

*Fair Work (Registered Organisations) Act 2009* ('the Act')

### **197 Post-election report by AEC**

#### *Requirement for AEC to make report*

- (1) After the completion of an election conducted under this Part by the AEC, the AEC must give a written report on the conduct of the election to:
  - (a) the General Manager; and
  - (b) the organisation or branch for whom the election was conducted.

**Note:** The AEC may be able, in the same report, to report on more than one election it has conducted for an organisation. However, regulations made under paragraph 359(2)(c) may impose requirements about the manner and timing of reports.

- (2) The report must include details of the prescribed matters.

#### *Contents of report—register of members*

- (3) If the AEC is of the opinion that the register of members, or the part of the register, made available to the AEC for the purposes of the election contained, at the time of the election:
  - (a) an unusually large proportion of members' addresses that were not current; or
  - (b) in the case of a register kept by an organisation of employees—an unusually large proportion of members' addresses that were workplace addresses;

this fact must be included in the report, together with a reference to any relevant model rules which, in the opinion of the AEC, could assist the organisation or branch to address this matter.

**Note:** Model rules are relevant only to the conduct of elections for office, not for elections for other positions (see section 147).

#### *Contents of report—difficult rules*

- (4) If the report identifies a rule of the organisation or branch that, in the AEC's opinion, was difficult to interpret or apply in relation to the conduct of the election, the report must also refer to any relevant model rules, which in the opinion of the AEC, could assist the organisation or branch to address this matter.

**Note:** For model rules, see section 147.

#### *Subsection (3) relevant only for postal ballots*

- (5) Subsection (3) applies only in relation to elections conducted by postal ballot.

**Note:** An organisation can obtain an exemption from the requirement to hold elections for office by postal ballot (see section 144).

## 190 Organisation or branch must not assist one candidate over another

An organisation or branch commits an offence if it uses, or allows to be used, its property or resources to help a candidate against another candidate in an election under this Part for an office or other position.

Penalty: 100 penalty units.

## 193 Provisions applicable to elections conducted by AEC

  - (a) subject to paragraph (b), must comply with the rules of the organisation or branch; and
  - (b) may, in spite of anything in the rules of the organisation or branch, take such action, and give such directions, as the electoral official considers necessary:
    - (i) to ensure that no irregularities occur in or in relation to the election; or
    - (ii) to remedy any procedural defects that appear to the electoral official to exist in the rules; or
    - (iii) to ensure the security of ballot papers and envelopes that are for use, or used, in the election.
- (2) A person commits an offence if the person does not comply with a direction under subsection (1).

Penalty: 30 penalty units.

Note: A defendant bears an evidential burden in relation to the matter mentioned in subsection (4), see subsection 13.3(3) of the *Criminal Code*.
- (5) An offence against subsection (2) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.
- (6) An election for an office or other position conducted by an electoral official, or step taken in relation to such an election, is not invalid merely because of a breach of the rules of the organisation or branch because of:
  - (a) action taken under subsection (1); or
  - (b) an act done in compliance with a direction under subsection (1).
- (7) If an electoral official conducting, or taking a step in connection with, an election for an office or other position:
