Enterprise Agreement Ballot Results

Thank you to all members who participated in the ballot for the enterprise agreement. More importantly, thank you to all members who engaged with the process which encompassed some difficult issues.

The official results are as follows:

Total Eligible Voters	433
Vote participation rate	83.37%
Total votes received	361
Total YES votes	220
% YES votes	60.94%

The obvious division, and the significant level of non-participation, is in stark contrast to the previous enterprise agreement. The Branch Committee of Management will commence the process of addressing the way forward on Tuesday of next week.

In the meantime, we will ensure that the necessary documentation is prepared as soon as possible to seek Fair Work Commission approval of the Agreement.
