Enterprise Bargaining Update

Please see the below message from the Enterprise Bargaining Working Group. I encourage everyone to provide honest, frank and detailed feedback to assist with the next round of bargaining being as productive as possible. Feedback can be provided through the survey and can be found at the link below or via the QR code.

Message from the Enterprise Agreement Working Group

The new Enterprise Agreement Working Group has now formed and is ready to work with you through the next bargaining process. Members of the group include Joe Box, Brad Shooks, Claudia Woolfe, Philippa d'Ews Thomson, Dean Seccombe, Brendan Dunn, Adam Hughes, and Shantelle Farlow.

As a first step, the Working Group would like to seek your views on the last bargaining process (what went well, what didn't go so well) in order to better inform the next process. The Working Group has set up a survey to get your views – you can find the survey here <https://forms.office.com/r/KHRts4qJ6E>

You have until **Monday the 13th of October** to respond. Importantly, responses will be anonymous, unless you select otherwise.

Once we get your views on the previous bargaining process, we will then be seeking your input to the log of claims for the future Enterprise Agreement – so start getting those ideas together now! We are excited to work with you to ensure that all ideas are heard, appreciated and responded to.
